2008 Pursuit 340 Center Console

Boat Type: Saltwater Fishing

Address: Miami, FL, US

Price: [\\$149,000](#)

OVERVIEW

2008 Pursuit 340 Center Console powered by Yamaha 350hp with under 350 hours !!!

The C 340 was designed for hard core fishing. Yes, it makes an excellent yacht tender. And yes, it can easily take the family and all of the kids' friends out sandbar hopping, but — where the C 340 really shines — is when the seas kick up, the bite is on, and lesser boats stay home.

Its aggressive deep-V hull and notched transom design slices through rough water at a remarkable clip – thanks to its powerful twin Yamaha engines that provide maximum horsepower and fuel economy and the need for that third engine – as you make your way to where the big fish are. An optional fold-down transom seat and adjustable helm and companion seats ensure that you and your crew will be rested and ready when the first clip snaps and “Fish On!” breaks the silence.

Fishing features include a 52-gallon recirculating livewell in the aft portion of the helm seat. The rigging station is located at the transom with a cutting surface, pliers and knife holders, tackle drawers and fresh and raw water so that everything you need is within reach. An additional optional livewell can be mounted along the transom for a

never ending supply of livies. Even the cleats retract so you won't snag a line when the fight is on or when you're cast netting live bait.

With four insulated in-deck fish boxes, you have plenty of room for the day's catch — and no excuse not to fill them up. Other amenities include an enclosed electric head with macerator and pumpout within the console, easily accessible by a large door forward.

Description:
